

ATRIA WINE

2019

Right now is the single best time in history to drink wine. Great wine is plentiful, offering more diversity and enjoyment than ever before. But amidst so much quality, our task becomes seeking out the truly distinctive. For us this means delicious, soulful wines that express their origins with clarity, vitality, and grace.

GROWER CHAMPAGNE BY THE BOTTLE

A revolution in Champagne: Grape growers are deciding to make their own wine. Historically, Champagne has been produced by large houses who buy grapes from across the region to produce a consistent, but homogeneous product. This blurs the fact that Champagne is as diverse and compelling as any wine region on earth. The wines listed below are not sweeping blends, but instead come from specific places. Thus their great beauty is that they enable us to look at Champagne from the perspective of terroir.

Marie Courtin Cuvée Resonance – Côte des Bar | **117**

This cuvee is made from 100% Pinot Noir, farmed biodynamically, and fermented and aged in stainless steel with zero dosage.

Nathalie Falmet Cuvée Brut Nature – Côte des Bar | **135**

Falmet farms just three hectares in the Côte des Bar, Champagne's southern outpost. This electrifying cuvée is composed entirely of Pinot Noir, sourced from a half-hectare vineyard.

Gaston Chiquet Blanc de Blancs Brut d'Äy | **137**

Among the greatest of all grower-producers, Chiquet was the first to stop selling his grapes.

Pierre Peters Cuvée de Réserve Brut Blanc de Blancs – Mensil-sur-Oger | **155**

The very best of NV blanc de blancs. From the same Grand Cru vineyards as Krug and Salon, this wine offers crystalline precision.
